

# REMARKS

Claims 1-10 are pending in this application. Claims 1 and 7-10 stand rejected under 35 USC 102 as being anticipated by Huang. The Examiner has also indicated that claims 2-6 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. The Applicant has amended the claims by canceling claims 1-10 and adding new claims 11-13. New claim 11 includes the limitations of original claims 1, 2, 3 and 4. New claim 12 includes the limitations of original claim 1 and 5, and new claim 13 includes the limitations of original claims 1 and 6. The Applicant believes that new claims 11-13 are allowable, as indicated by Examiner.

The Examiner is respectfully requested to enter the forgoing amendments to the claims and to issue a formal Notice of Allowance for claims 11-13. Should the Examiner care to discuss any of the foregoing in greater detail, the undersigned attorney would welcome a telephone call.

Respectfully submitted,

  
Douglas J. Hura
